VISITING PROFESSOR PROGRAM  
2011 – 2012 Academic Year

ASMS Administrative Office  
900 Cummings Center, Suite 221-U  
Beverly, MA 01915  
(978) 927-8330  
[www.maxface.org](http://www.maxface.org)

The American Society of Maxillofacial Surgeons (ASMS) and the Maxillofacial Surgeons Foundation (MSF) are pleased to announce its Visiting Professor Program for the 2011-2012 academic year. We have assembled a team of five prominent plastic surgeons to participate in the program. It is our hope this team of doctors will enhance the educational experience of plastic surgery residents through lectures, discussion groups and patient evaluations.

## **Arun K. Gosain, MD**

*Chief, Pediatric Plastic Surgery  
Rainbow Babies and Children's Hospital  
DeWayne Richey Professor and Vice Chair, Department of Plastic Surgery

## HOST INSTITUTION:

- Complete a request application form online at [www.maxface.org](http://www.maxface.org) or contact the ASMS office at [admin@maxface.org](mailto:admin@maxface.org) to request an application.
- Visits are recommended to be two days in duration.
  - Visits may include: lectures, discussion groups, patient evaluation, and ward rounds.
  - Each host will arrange visit details directly with the visiting professor once they have been notified by ASMS that their invitation has been accepted.
- Complete and submit an online evaluation of the visit within 5 business days after the visit.
- Appropriate recognition must be provided to ASMS and to Stryker for their corporate support.
- If applicable, the local host will be responsible for working with the visiting professor to obtain specific privileges necessary for operative procedures.

## MAXILLOFACIAL SURGEONS FOUNDATION:

- MSF will provide reimbursement of roundtrip coach airfare booked at least 21 days in advance, hotel accommodations for two nights (up to \$500 for two nights), as well as meals (per diem of up to \$100 for two days), and onsite and airport parking.  
*Faculty or group dinners are not covered.*
- Requests will only be accepted from ACGME accredited Plastic Surgery Training Programs and Affiliated Societies.
- MSF will support only one Visiting Professor per institution per year.
- Visiting Professors are selected by the ASMS Visiting Professor Committee and are either ASMS Active or Life members.

*This Visiting Professor Program is supported by  
an educational grant from Stryker.*
